ID Navigator Powered by NortonLifeLock

Smart tools to help against the evolving threat of identity theft.

Your Financial Partners Visa Credit Card includes ID Navigator Powered by NortonLifeLock. No one can prevent all identity theft, so staying informed and knowing what to do when your identity is threatened can give you greater peace of mind.

How ID Navigator Powered by NortonLifeLock can help:

Dark Web Monitoring – continuously patrols the dark web and private forums looking for personal information that may belong to you. Should it be found, notifications are sent with suggested steps.

Data Breach Notifications – sends notifications on large-scale breaches so you can act quickly should a breach affect your personal information.

Stolen Wallet Assist – A stolen wallet can mean a lost identity. If your wallet is stolen you will receive guidance to help you cancel or replace key documents like your credit cards, driver's licenses, Social Security cards, insurance cards and more.

One-Bureau Credit Monitoring Alerts – helps you stay on top of your credit to help detect fraud more quickly. Alerts are sent when key changes are made to your credit file with a major credit bureau.

Credit, Bank & Utility Account Freezes – provides instructions and links so you can quickly freeze credit, bank and utility files with each consumer reporting company to help protect you against criminals opening unauthorized accounts in your name.

Restoration Assist – U.S.-based Identity Restoration Specialists are available Monday to Friday 6 a.m. – 5 p.m. PST with guidance and with next steps to assist you should you become a victim of identity theft or other suspicious activity.
